In support of the Application, Kramer Levin respectfully represents as follows:

JURISDICTION

1. The United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334.

2. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

PRELIMINARY STATEMENT

3. During the Seventh Interim Fee Period, Kramer Levin continued to actively represent the Ad Hoc Committee in all aspects of these Chapter 11 Cases. The Ad Hoc Committee again played a critical role during the Seventh Interim Fee Period – which itself was a critical period of the case -- with its efforts focused towards, among other things, (i) further negotiating and refining the terms of documents governing post-emergence trusts and other entities, (ii) evaluating and addressing appeals of the confirmation order and motions for direct appeal, (iii) drafting an objection to the motions for direct appeal and related research for same, (iv) drafting an appellate brief, preparing for, and participating in oral argument before the District Court, (v) evaluating the impacts of the District Court’s order vacating the chapter 11 plan confirmation order and the merits of an appeal to the Second Circuit, and (vi) drafting a notice of appeal in the Second Circuit and a motion to expedite the appeal.

4. The substantial efforts of the Ad Hoc Committee, occurring over the course of the Seventh Interim Fee Period, required significant resources of Kramer Levin and other Ad Hoc Committee professionals. Kramer Levin conducted extensive research of legal and factual issues and coordinated with interested parties in connection with briefing and oral argument regarding the appeals of the confirmation order (the “**Confirmation Order**”), advised the Ad Hoc Committee on options and solutions to complex issues following the District Court’s order vacating the Confirmation Order (the “**District Court Order**”) and potential paths forward, and filed an appeal of the District Court Order to the Second Circuit.

5. In addition, Kramer Levin worked diligently to ensure that the Ad Hoc Committee and its professionals were appropriately informed of all case updates through: (i) monitoring the filings, pleadings, and other developments in the Chapter 11 Cases to ensure the Ad Hoc Committee was up-to-date on the status of the case; (ii) hosting weekly Ad Hoc Committee calls

(and frequent working group calls) and disseminating extensive and detailed e-mail reports and other correspondence with the Ad Hoc Committee; and (iii) addressing the questions of Ad Hoc Committee members (and other similarly-aligned parties) inquiring about the status and disposition of the case.

6. Accordingly, Kramer Levin respectfully submits that its services during the Seventh Interim Fee Period warrant approval of its requested fees and expenses.

**SUMMARY OF PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

7. This Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on January 23, 2013 (the “**Local Guidelines**”), as amended, and the United States Trustee for the Southern District of New York (the “**UST**”) Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the “**UST Guidelines**”), the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* [Docket No. 529] (the “**Interim Compensation Order**,” collectively with the Local Guidelines and UST Guidelines, the “**Guidelines**”), the *Order Authorizing the Debtors to Assume the Reimbursement Agreement and Pay the Fees and Expenses of the Ad Hoc Committee’s Professionals* [Docket No. 553] (the “**Fee Assumption Order**”). Pursuant to the Local Guidelines, a certification of Kenneth H. Eckstein regarding compliance with the same is attached as “**Exhibit A**” hereto.

8. Kramer Levin seeks the interim allowance of fees for professional services rendered during the Seventh Interim Fee Period in the aggregate amount of \$3,832,741.50 (the “**Seventh Interim Fees**”) and reimbursement of expenses incurred in connection with the rendition of those services in the aggregate amount of \$67,611.02 (the “**Seventh Interim Expenses**”). Kramer

Levin's attorneys and paraprofessionals expended a total of approximately 3,379.80 hours for which compensation is requested.

9. There is no agreement or understanding between Kramer Levin and any other person, other than members of Kramer Levin, for the sharing of compensation to be received for services rendered in these Chapter 11 Cases.

10. The fees charged by Kramer Levin in these Chapter 11 Cases are billed in accordance with its existing billing rates in effect during the Seventh Interim Fee Period.

11. During the course of these Chapter 11 Cases, Kramer Levin exercised its billing discretion and, as discussed in more detail below, voluntarily wrote off certain fees and expenses. Kramer Levin's decision to apply these write-offs of fees and expenses has resulted in savings to the estates during this Seventh Interim Fee Period of \$65,005.46.

12. Kramer Levin's rates for the services rendered by its professionals and paraprofessionals in these Chapter 11 Cases are the same rates that Kramer Levin charges for such professional and paraprofessional services rendered in comparable non-bankruptcy matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market.

13. Pursuant to the UST Guidelines, annexed hereto as "**Exhibit B**" is a schedule setting forth all professionals and paraprofessionals employed by Kramer Levin who have performed services in these Chapter 11 Cases during the Seventh Interim Fee Period, the capacities in which each such individual is employed by Kramer Levin, the department in which each individual practices, the year in which the individual was licensed to practice law in the state of New York, the hourly billing rate charged by Kramer Levin for services performed by such individual, and the aggregate number of hours expended and fees billed.

14. Annexed hereto as “**Exhibit C**” is a schedule specifying the categories of expenses for which Kramer Levin is seeking reimbursement and the total amount for each such expense category. Annexed hereto as “**Exhibit D**” is Kramer Levin’s detail of disbursements and expenses and a schedule specifying the categories of expenses for which Kramer Levin is seeking reimbursement and the total amount for each expense category for the Seventh Interim Fee Period.

15. Pursuant to the UST Guidelines, annexed hereto as “**Exhibit E**” is a summary of Kramer Levin’s time billed during the Seventh Interim Fee Period, broken down by project categories as hereinafter described.

16. Kramer Levin maintains computerized records of the time spent by all of Kramer Levin’s attorneys and paraprofessionals in connection with its representation of the Ad Hoc Committee. These records were used to prepare detailed time descriptions in accordance with the UST Guidelines and organized by project codes. These detailed time records, along with the detailed listings of the expenses incurred in connection with the services rendered, were submitted to the Court (with notice given in accordance with the Interim Compensation Order and Fee Assumption Order) as part of the Monthly Fee Statements (defined below). Copies of the final detailed time records and expenses for the Seventh Interim Fee Period are being provided herewith to the Court and the Notice Parties, and are attached hereto as **Exhibit F**.

17. Since the commencement of these Chapter 11 Cases, Kramer Levin has provided the Court with a Monthly Fee Statement for each month for which compensation was sought pursuant to the Interim Compensation Order established in these Chapter 11 Cases. During the Seventh Interim Fee Period, Kramer Levin provided the appropriate Court with the following monthly fee statements:

- a. For October 1, 2021 through and including October 31, 2021, fees of \$1,276,425.00 and expenses of \$17,314.65 (the “**October Fee Statement**”);
- b. For November 1, 2021 through and including November 30, 2021, fees of \$1,267,188.50 and expenses of \$18,919.79 (the “**November Fee Statement**”);
- c. For December 1, 2021 through and including December 31, 2021, fees of \$466,242.50 and expenses of \$13,686.09 (the “**December Fee Statement**”);
- d. For January 1, 2022 through and including January 31, 2022, fees of \$822,885.50 and expenses of \$17,690.49 (the “**January Fee Statement**,” collectively with the October Fee Statement, the November Fee Statement, and the December Fee Statement, the “**Monthly Fee Statements**”); and

18. In total, Kramer Levin has submitted Monthly Fee Statements during the Seventh Interim Fee Period for fees of \$3,832,741.50 and expenses of \$67,611.02. As of the date of this Application, no notice party has objected to the Monthly Fee Statements.

19. Prior to the service of each Monthly Fee Statement, Kramer Levin conducted an internal review of fees and expenses incurred during that month. As a result of such review, Kramer Levin wrote off a total of \$51,110.50 in fees and \$13,894.96 in expenses. The Monthly Fee Statements reflected the reduced amount after write-offs. Accordingly, Kramer Levin hereby seeks allowance of fees incurred for the Seventh Interim Fee Period in the amount of \$3,832,741.50, and the reimbursement of actual and necessary expenses incurred for the Seventh Interim Fee Period in the amount of \$67,611.02.

20. In accordance with the Interim Compensation Order, Kramer Levin sought payment of 80% of its fees and 100% of its expenses incurred, pursuant to each Fee Statement filed with the Court.

21. In total, therefore, pursuant to this Application, Kramer Levin respectfully requests that the Court enter an order awarding Kramer Levin, on an interim basis, fees in an aggregate amount of \$3,832,741.50 and the reimbursement of actual and necessary expenses Kramer Levin incurred during the Seventh Interim Fee Period in the aggregate amount of \$67,611.02. Kramer Levin requests payment of 20% of its fees that have been held back for the Fee Statements.

22. To the extent that time or disbursement charges for services rendered or expenses incurred relate to the Seventh Interim Fee Period, but were not processed prior to the preparation of this Application, Kramer Levin reserves the right to request compensation for such services and reimbursement of such expenses in a future application.

23. A budget and staffing plan for the Seventh Interim Fee Period is attached hereto as **Exhibit G**, which includes a comparison to actual amounts.²

24. Kramer Levin's rates in these Chapter 11 Cases are consistent with the rates charged by Kramer Levin to its non-bankruptcy clients. These rates are similar to the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy and bankruptcy cases in a competitive national legal market. Pursuant to the U.S. Trustee Guidelines, **Exhibit H** discloses the blended hourly rates for all non-bankruptcy timekeepers in the New York office of Kramer Levin and the blended hourly rates for timekeepers who billed to the Committee during the Seventh Interim Fee Period.

25. Prior to filing this Application, Kramer Levin provided the Ad Hoc Committee with a copy of the Application.

² A non-itemized monthly budget was provided to the Debtors for the period covered by this Application. An itemized budget is included with this Application for convenience. The fees sought in this Application are not, in the aggregate, more than 10% higher as compared to the non-itemized budget.

The general purpose of these meetings was to keep the Ad Hoc Committee informed of developments and current issues in these Chapter 11 Cases, and to discuss, analyze, and vote on Ad Hoc Committee positions with respect to matters requiring their input. Ad Hoc Committee meetings required preparation by Kramer Levin professionals and other Ad Hoc Committee professionals and often included multiple agenda items.

42. Kramer Levin coordinated with the Ad Hoc Committee's other professionals on these meetings, on tasks including drafting and setting agendas and preparing and reviewing materials.

43. Ad Hoc Committee meetings also often required internal pre-meeting and post-meeting conferences among the professionals to prepare for Ad Hoc Committee calls and/or to discuss follow-up items that arose on such calls. Frequently, due to the number and complexity of items on the agenda for a given meeting, the participation of multiple professionals (including from multiple legal fields) was necessary to ensure that Kramer Levin could be responsive to members' questions as they arose.

44. In addition, Kramer Levin provided the Ad Hoc Committee with frequent detailed e-mail updates of recently filed pleadings, case issues and negotiations, and other items relevant to the Chapter 11 Cases.

G. Plan and Disclosure Statement

Billing Code: 00011

(Fees: \$867,800.50 / Hours Billed: 666.60)

45. During the Seventh Interim Fee Period, Kramer Levin and the Ad Hoc Committee worked tirelessly with the Debtors and other parties in interest to prepare for the anticipated Plan effective date. Among other things, Kramer Levin reviewed transfer agreements governing the new entities to be formed under the Plan, coordinated with other parties in interest regarding the

Sackler settlement agreement and related collateral agreements, and analyzed tax structuring issues.

46. Additionally, following entry of the District Court Order, Kramer Levin dedicated significant time to evaluating potential next steps towards a successful reorganization. Kramer Levin prepared detailed presentations for the Ad Hoc Committee regarding these issues and engaged with the other Ad Hoc Committee counsel and financial advisors on formulating a strategy.

STATEMENT OF KRAMER LEVIN

47. The foregoing professional services performed by Kramer Levin were appropriate and necessary. The professional services were in the best interests of the Ad Hoc Committee, the Debtors' estates and other parties-in-interest. Compensation for the foregoing professional services as requested is commensurate with the complexity, importance and nature of the problems, issues or tasks involved. The professional services were performed in an appropriately expeditious and efficient manner.

48. The majority of the services performed by Kramer Levin were rendered by Kramer Levin's Corporate Restructuring and Bankruptcy Group. Kramer Levin has a prominent practice in this area and enjoys a national reputation for its expertise in financial reorganizations and restructurings. The attorneys at Kramer Levin have substantial experience representing creditor groups in many chapter 11 cases. In addition, due to the facts and circumstances of these Chapter 11 Cases, attorneys from Kramer Levin's corporate practice group, as well as attorneys in other specialized areas as necessary, were involved with Kramer Levin's representation of the Ad Hoc Committee. Overall, Kramer Levin brings a particularly high level of skill and knowledge which has inured to the benefit of the Ad Hoc Committee in this case.

49. The professional services performed by Kramer Levin on behalf of the Committee during the Seventh Interim Fee Period required an aggregate expenditure of approximately 3,379.80 recorded hours by Kramer Levin's members, counsel, associates and paraprofessionals. Of the aggregate time expended, 2,002.30 recorded hours were expended by partners and counsel of Kramer Levin, 1,179.70 recorded hours were expended by associates, and 197.80 recorded hours were expended by paraprofessionals of Kramer Levin.

50. During the Seventh Interim Fee Period, Kramer Levin's hourly billing rates for attorneys ranged from \$615 to \$1,685 per hour. Allowance of compensation in the amount requested would result in a blended hourly billing rate for attorneys of approximately \$1,178.33 per hour (based upon 3,182.00 recorded hours for professionals at Kramer Levin's regular billing rates in effect at the time of the performance of professional services), and a total blended hourly billing rate for Kramer Levin's paraprofessionals of \$423.46 per hour (based upon 197.80 recorded hours for paraprofessionals at Kramer Levin's regular billing rates in effect at the time of the performance of the services).

51. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy cases in a competitive national legal market. As noted, attached hereto in Exhibit B is a schedule listing each Kramer Levin professional and paraprofessional who performed services in these Chapter 11 Cases during the Seventh Interim Fee Period, the hourly rate charged by Kramer Levin for services performed by each individual, and the aggregate number of hours and charges by each individual. Kramer Levin provided a copy of the Application to the Ad Hoc Committee prior to filing the Application and received no objection to its filing.

ACTUAL AND NECESSARY EXPENSES OF KRAMER LEVIN

52. As set forth in Exhibit C hereto, Kramer Levin has disbursed \$67,611.02 as expenses incurred in providing professional services during the Seventh Interim Fee Period. Pursuant to Kramer Levin's policies (which we believe are comparable to those of other New York City law firms), Kramer Levin has (and will continue) to pay certain expenses of professionals who work past 8:00 p.m. and on weekends and holidays in the service of its clients, and/or for business travel, including to and from Court hearings or remote meetings. These expenses include meal charges and car fares. Consistent with the U.S. Trustee Guidelines, Kramer Levin has also voluntarily reduced its request for reimbursement for late-working professionals' meal charges to \$20 per meal to the extent that such meal charges were in excess of this limit.

53. With respect to photocopying expenses, Kramer Levin charged \$0.10 per page. Kramer Levin does not charge for facsimile transmissions, other than the cost of long distance facsimiles at applicable toll charge rates, which invariably are less than \$1.25 per page, as permitted by the Guidelines. Each of these categories of expenses falls below the maximum rates set by the Guidelines. These charges are intended to cover Kramer Levin's direct operating costs, which costs are not incorporated into Kramer Levin's hourly billing rates. Only clients who actually use services of the types set forth in Exhibit C are separately charged for such services.

54. In addition, due to the locations of Ad Hoc Committee members, long-distance telephone calls were often required. These disbursements are not included in Kramer Levin's overhead for the purpose of setting billing rates.

55. Kramer Levin has made every effort to minimize its disbursements in these cases. The actual expenses incurred in providing professional services were absolutely necessary,

reasonable, economical, and justified under the circumstances to enable Kramer Levin to serve the needs of the Ad Hoc Committee.

56. The members of the Ad Hoc Committee also incurred certain expenses in the performance of their duties as members of the Ad Hoc Committee. This Application seeks allowance of these necessary disbursements by the Ad Hoc Committee members, in accordance with the terms of the Fee Assumption Order.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

57. The Fee Assumption Order provides that Kramer Levin's reasonable and documented fees and expenses shall be subject, *mutatis mutandis*, to the procedures with respect to the authorization of payment of the fees and expenses of the professionals of the Debtors and the UCC as set forth in the Interim Compensation Order. Therefore, while this Application is not strictly subject to sections 331 and 330 of the Bankruptcy Code, we are guided by such provisions in making this Application. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of 11 U.S.C. § 330 to govern the Bankruptcy Court's award of such compensation.

58. Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . , the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

(A) the time spent on such services;

(B) the rates charged for such services;

(C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

(F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

59. Here, Kramer Levin respectfully submits that the services for which it seeks compensation in this Application were, at the time rendered, believed to be necessary for, beneficial to, and in the best interests of, the Ad Hoc Committee. Kramer Levin further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Ad Hoc Committee. The services rendered by Kramer Levin were consistently performed in a timely and efficient manner commensurate with the complexity, importance, and nature of the issues involved. Kramer Levin respectfully submits that approval of the compensation sought herein is warranted.

STATEMENT PURSUANT TO APPENDIX B OF THE GUIDELINES

60. The following is provided in response to the request for additional information set forth in the Guidelines.

- a) Kramer Levin seeks reimbursement of fees and expenses that are permissible under the relevant rules, court orders, and Bankruptcy Code provisions. In addition, Kramer Levin provided voluntary write-offs of both fees and expenses during the Seventh Interim Fee Period in its discretion.
- b) The fees and expenses sought in the Application are billed at rates customarily employed by Kramer Levin, and generally accepted by Kramer Levin's clients. None of the professionals seeking compensation in the Application varied their hourly rate based on the geographic location of the Debtors' cases.

- c) For the Seventh Interim Fee Period, Kramer Levin is not seeking fees that exceed, in the aggregate, non-itemized budgeted amounts for that period by more than 10%.
- d) This Application includes certain time (and fees) related to preparing, reviewing, or revising fee statements to comply with the local bankruptcy rules and U.S. Trustee guidelines. These fees are reflected in a portion of the amount requested in billing code number 6, Employment and Fee Applications (which matter also includes time spent by Kramer Levin reviewing other professionals' employment and fee applications and reviewing time records to redact or address privileged or other confidential information). Such time was necessary in order to comply with applicable guidelines and the Interim Compensation Order and to file monthly fee applications (which is a distinct requirement in bankruptcy matters).
- e) In connection with the preparation of its monthly invoices, Kramer Levin reviewed its monthly invoices at the time that they were filed for privilege and confidentiality. The Application includes fees incurred in conducting that review.
- f) Kramer Levin increased rates as of January 1, 2022 in connection with its annual review process. Other rate increases during the Chapter 11 Cases have been described in prior interim fee applications.

NOTICE

Notice of this Application has been provided in accordance with the Guidelines and the Interim Compensation Order. Because of the nature of the relief requested, the Ad Hoc Committee submits that such notice is sufficient and that no further notice of the relief requested in the Application need be given to any party.

CONCLUSION

WHEREFORE, Kramer Levin respectfully requests that the Bankruptcy Court enter an order: (i) authorizing the Debtors to pay the entirety of the unpaid balance of all approved fees for the Seventh Interim Period (including holdback amounts) and (ii) granting such other relief as is just and proper.
